# CLASS DESCRIPTION

***Feathers*** -- The musical poems of Woody Guthrie, bird songs, and the naturally occurring sounds in nature help babies develop an early appreciation—and accelerated aptitude—for language, movement, and music in this class. (Digital home materials included)

***Do-Si-Do*** -- Pick up your baby and dance. Dance the Charleston, the Tango, and the Cha-Cha and learn why dancing with your baby helps develop vital learning skills—from head-to-toe. In this class, play a variety of baby appropriate instruments, a dance with fun props. (Digital home materials included)

***Fiddle-dee-dee*** -- We'll meet many animal characters in our books, activities, and songs—each specifically chosen for a toddler's emerging interests and physical skills. With silly, bumpy lap bounces we'll help toddlers develop rhythm while further developing their ever-emerging language skills. With a special stringed instrument emphasis in the music from class, parents can bring home the violin, cello, and orchestra sounds to help their toddlers stay happy and engaged learners at home, too. (Digital home materials included)

**No Class Spring Break: March 11-13**

**\*Class schedule is subject to change.**
